

**The College of Saint Rose**

**BrassFest!**

**Featuring**

**Dallas Brass**

**Sunday, November 10, 2019**

**10:00 a.m. – 3:30 p.m.**

**Save the Date!**

Dallas Brass will headline this year's BrassFest at **The College of Saint Rose** from **10:00 a.m. until 3:30 p.m. on Sunday, November 10, 2019**. There will be an opening performance by Dallas Brass - and there is **NO FEE** to attend!

Members of Dallas Brass will spend the day working with brass players from 4<sup>th</sup> – 12<sup>th</sup> grade using great arrangements of fun tunes that are inspiring students across the country. **You can join us** (and be placed in a comfortable setting that matches your skill set) **whether you've been playing for a few months, a few years, or if you are about to major in music in college.**

High school juniors and seniors may also have the opportunity to perform in a masterclass coached by a member of Dallas Brass, and to take a mock college audition with a member of The College of Saint Rose brass faculty.

The closing concert performed by BrassFest participants will include several small ensembles - plus a combined 'mass brass' number that promises to provide a spectacular end to the event!

We hope you can take advantage of this special opportunity to have some fun while learning *how* to sound better and improve faster - using strategies that can work immediately.
